The vibrant hues of the event were brought to life through captivating photographs, showcasing the zeal and enthusiasm of participants.

WORLD PHARMACIST DAY

25TH SEPTEMBER 2023

Amidst the vibrant corridors of Divine College of Pharmacy, Siwan, the celebration of World Pharmacists Day on 25th September 2023 was a spectacle of knowledge and creativity. Embracing the theme "Angdan Mahadan" set by the Pharmacy Council of India, students engaged in spirited quiz competitions, eloquent debates, and striking poster contests, all capturing the essence of benevolence in the pharmaceutical realm.

The campus resonated with the rhythm of dance performances that echoed the vital role of pharmacists in healthcare. Through captivating photographs, the event showcased not just the celebration but the unwavering commitment of Divine College of Pharmacy to shaping compassionate and knowledgeable pharmacists, contributing their share in the health and well-being of society. The day was a testament to the symbiotic blend of education and celebration, underscoring the invaluable contributions of pharmacists.

Shri Jai Prakash Singh IPS & IGP SHIMLA

A Motivational Session by IGP, IPS, Shimla : Our institute has organized a motivational talk by Dr. Jay Prakash Singh (IPS, IGP, Shimla) on April 18, 2023 where his golden words guided students towards disciplined life and better future.

Dr. Shambaditya Goswami, the visionary Principal of Divine College of Pharmacy, Siwan, injects inspiration into our academic journey through timely motivational sessions. His words are a beacon, guiding us towards success, resilience, and a future filled with endless possibilities.

Motivational Talks

Divine College of Pharmacy, Siwan, transcends conventional education with its empowering motivational sessions, a beacon illuminating the path to success. Time and again, these sessions serve as catalysts, igniting the flames of ambition and resilience among students. Expert speakers, industry leaders, and accomplished alumni converge to share invaluable insights, nurturing the seeds of inspiration.

A Talk on Entrepreneurship in Pharma:

On the occasion of National Pharmacy Education Day (birth anniversary of late Prof. ML Schroff), we organized a talk show for our students on March 6, 2023 with Mr Ashutosh Shukla (President-Drugs on Door and Director in Sales- SOPA remedies) to highlight scope of various start-ups after Pharmacy.

Fostering Excellence: The Benefits of Lab Exploration Activities in Pharmacy Education

Diving into the realms of pharmaceutical sciences, Divine College of Pharmacy has pioneered a transformative initiative - Lab Exploration Activities every Saturday. These sessions empower students to don the role of both scientists and educators, as they perform, demonstrate, and explain practicals independently. The benefits are manifold; students cultivate a deeper understanding of theoretical concepts, honing their analytical skills. This hands-on approach fosters self-reliance, boosting confidence and paving the way for future pharmaceutical leaders. Through this initiative, Divine College not only imparts knowledge but also nurtures a culture of innovation, curiosity, and a profound passion for the science of healing. Saturday labs are not just a routine but a gateway to a dynamic and enriched educational experience.

PLANTATION DRIVE

The purpose of this Plantation Drive extends beyond merely planting trees; it's about cultivating a sense of responsibility and awareness among the students and staff. The initiative aligns with global efforts to combat climate change, aiming to mitigate the impact of deforestation and promote biodiversity.

On August 8, students and faculty members will come together to plant a variety of native saplings around the college campus. The event is not just about planting trees; it's a celebration of unity, shared responsibility, and a commitment to fostering a greener campus and, consequently, a healthier planet.

On the sunlit morning of August 8, 2023, Divine College of Pharmacy, Siwan, witnessed a transformative event as the institution initiated a grand Plantation Drive. This noble endeavor was led by none other than our esteemed Chairman, whose commitment to environmental sustainability resonates through every leaf and branch planted on this momentous day.

NURTURING GREEN FUTURES: PLANTATION DRIVE AT DIVINE COLLEGE OF PHARMACY, SIWAN

The Plantation Drive will be complemented by informative sessions on environmental conservation, emphasizing the vital role each individual can play in preserving the Earth's natural resources. Through this initiative, Divine College of Pharmacy envisions nurturing a generation of environmentally conscious professionals who understand the significance of sustainable practices in the field of pharmacy and beyond.

SNEHAM

The Divine College of Pharmacy wishes to assemble as a family to support its faculty and staff in their thick and thin. This faculty club known as "SNEHAM" will be run by the DCOP members by donating some desired amount of their earnings at their will every month. The SNEHAM also resources celebrations for birthdays, appreciations, academic achievements etc. promote a healthy a healthy and enthusiastic work environment for DCOP members in the premises.

FACULTY DEVELOPMENT PROGRAMMES

Embracing the ever-evolving landscape of education, Divine College of Pharmacy, Siwan, recognizes the paramount importance of Faculty Development Programmes (FDPs). These initiatives are designed to empower educators, fostering continuous growth and innovation in teaching methodologies. In a notable stride, the college recently hosted an online session led by Mr. Tej Pal Yadav, an Associate Professor at NIMS University, Jaipur. His expertise brought a fresh perspective, enriching faculty members with the latest insights in pharmacy education. The online nature of the programme reflects the institution's commitment to adapting to contemporary learning trends, ensuring that educators stay abreast of advancements to provide students with an exceptional learning experience. Divine College reaffirms its dedication to excellence through such progressive initiatives.
